Coke Rewards Program

David Wright, member of the Rotary Club of Walkerville has set up a coke rewards incentive. All it takes is every time you drink a bottle of coke, peel off the label with the unique bar code inside label.

David Wright

Send them or pass onto David and they get registered to our ongoing coke target.

As of 17th December 2015, we have 120 points (10 points per label).

500 points gives us a \$25.00 Myer Card.
1000 points gives us a \$50.00 Myer Card.

Great incentive for doing nothing more than you already do – drinking coke.

The rewards will be used towards Christmas / Easter presents etc. in the future.

If anyone has a business who collates coke bottles etc. – just ask if we can have the labels?

Drink coke – collate the labels and watch the coke bottle fill up.

You can always call and discuss.

Our points as of 17/12/2015.
